

# EDINBURGH

## COLLECTION

Edinburgh - Scotland

*The classic style of this range is in keeping with the city it was named after, clean sharp with old world character & style.*

*Traditional in design these presentation cases will enhance any jewellery product especially antique & older pieces, please venture further & study the collection.*

*As standard this collection is supplied with tooling on the outside lid and lid & base sides, variations to this are available on request, please refer to enclosed tooling reference sheet for design options and please refer to the print colour swatch board information sheet for colour options.*
