

# EMERALD

## COLLECTION

*Fine quality jewellery requires the best in presentation in order to enhance its beauty and show its value to all potential customers, The Emerald Collection has been designed to do just that. For in store installation we can offer all including the fine cabinet displayed here, this cabinet has a stone clad base column giving it true beauty and is designed to be used as part of a front window display or a stand alone in store cabinet unit. For more information on the cabinet or display contained in it please refer to the information sheets enclosed.*

*For full details and specification of the cabinet unit illustrated here. Please refer to the enclosed specification sheet titled Imperial collection.*
