

# RUBY

COLLECTION

*An attractive display system will help to show your jewellery off to its best helping create the opportunity for greater sales, The Ruby Collection can help you achieve this.*

*The Ruby Collection of display items can be used with or without the beautiful display cabinet shown here but maybe it is time to consider a full change and to bring this style of stone clad display furniture to your boutique or showroom.*

*Please refer to information sheets enclosed.*

*For full details and specification of the cabinet unit illustrated here. Please refer to the enclosed specification sheet titled Imperial collection.*
