

# SAPPHIRE

## COLLECTION

*When showing a small collection or set of fine quality jewellery the presentation is of the utmost importance. By using products from The Sapphire Collection of display pieces in conjunction with the wall cabinet illustrated here you will help enhance the value of your merchandise.*

*The display pieces can be purchased separately as with the beautiful stone clad display column. Please refer to information sheets enclosed.*

*For full details and specification of the cabinet unit illustrated here. Please refer to the enclosed specification sheet titled Imperial collection.*
